Helping Families *GROW* together!

Good day all!

I hope you had a wonderful October and a fun filled Thanksgiving and Halloween. Now onto more fun for this month. I know your providers are excited to start teaching winter and Christmas themes.

Just a reminder, please talk to your provider as most of our providers are closing over Christmas and there will not be any back up offered at that time.

I hope you all have a great month. Please remember your payment arrangements. Thank you!

~Angel

Reminders from the Office:

Please remember that subsidy is quite behind right now and if you need to get your paperwork into them you will need to do so at least three weeks before your deadline. If this is not done, subsidy may not approve for the next month and care may be suspended.

Please also remember we are helping out two families this Christmas, please bring your food and toy donations to your providers home and place them in the Christmas boxes. I am so excited to be able to make this Christmas special for two of our families.

Please make sure to have the health unit fax in any new immunizations to our office as soon as they are done. Thank you, it is important that we have updated documents in our files.

Remembrance Day

By Molly Aloian

Each year on November 11th, millions of people in Canada and other countries in the Commonwealth take time to remember the men and women who served their countries during times of war. This book describes how people around the world hold similar services featuring poppies, poems, and special prayers.

All books can be found at the Lethbridge Public Library.
