

Wee R Kids

September Provider News

Early Learning = Lifelong Learning

Happy Thanksgiving and Happy Halloween. This month is full of fun, food and family. I love October, especially when kids are around, Thanksgiving and Halloween can be filled with fun and laughter. I am sure you all have a lot planned for the coming month, art and activities. Please bare in mind that the Provider meeting will be October 16, and as always it is mandatory for you all to be there. I so enjoyed seeing you all in September. We will most likely be doing our annual Fire Safety meeting with Fireman Matt. Enjoy the newsletter and the month!!

~Angel

Statutory Holidays:

Thanksgiving

Monday, October 14, 2013

The Wee R Kids office and as well as our day homes will be closed on all statutory holidays.

Cooking Activity

Spooky Pizzas

Pizza Dough
Pizza Sauce
Toppings

Roll out pizza dough and cut into the shapes of ghosts, pumpkins etc. Anything Halloween works. Place in oven and cook till firm. Allow the children each to put sauce on and decorate their pizza's. Place in oven until completely cooked and cheese is melted.

Serve with a salad or veggies, you can even serve with Halloween coloured milk.

Art Activity

Halloween Tree

After Christmas you can find coloured trees, like white or silver on for great prices. Make sure they are kid size. Have the children every week in October to each make ornaments that are Halloween oriented and place on the tree. You could find black, orange or purple lights to decorate your tree as well.

You could also use a naked branch as your tree as well. This makes an awesome decoration for a Halloween party.

You can make Jack-o-lantern ornaments by taking circle shaped wood and other wood shapes and allowing the children to paint and glue them together and then glue a string to the back of them to hang on the tree. The ideas are endless.

"Sometimes the little things in life mean the most."

~Ellen Hopkins

Reminders from the Visitor:

Please remember that you need to fill in all areas of your timesheets including your contracted hours, this helps you, the parents and the office ensure hours are being adhered to.

Please ensure that all of the medications you receive for the children in your care, including your own children have proper labels on them, that you use them only as described by the doctor and that they are not expired. This also goes for emergency meds, once an epi-pen or inhaler is expired it needs to be replaced. Please also ensure all meds including vitamins and herbal remedies are locked up in your med boxes.

You will be introduced to the new activity sheet this month in the meeting, we are pretty excited about them and I hope you are too. This is an accreditation goal for this year.

Please remember that Fireman Matt is coming for his annual teaching on Fire Prevention Safety and he has a lot of fun things to give away and share. Meeting is October 16 at our office 7pm sharp, see you all there!

Reading Corner

Halloween

By Kraft

What holiday lets the whole family get in on the fun? H-A-L-L-O-W-E-E-N! The Kraft Kitchens is ready to treat your family and friends to a spooktacular Halloween full of imaginative food ideas, clever decorating hints and all sorts of tips that will keep the ghosts and goblins celebrating.

All books can be found at the Lethbridge Public Library.

Provider Spotlight

Ashley is the provider of the month for October. Ashley has been a provider with Wee R Kids for almost a year and in this time I have found her to have a big heart, she seems willing to help families in need, she is organized and always conscientious with the standards. Ashley is a wonderful part of our team. Thank you Ashley for all you do!

Happy Birthday!

October 29 Patricia J
