## September Provider News

*Early Learning = Lifelong Learning*

**I**t's September, that means back to school and for some, we are welcoming children back to day home! I love September, it is the beginning of some of my favourite months and of course holidays/celebrations! What do you enjoy about the Autumn, the colourful leaves, the crisp temperatures or the smell that fills our homes, apples, spices and baking? Whatever it is I am sure you can find many things to love and to share with the children in Autumn. This is a new season and a new look for our newsletter, let me know if you have some ideas. Have a fantastic month!

Allow the children to use the material to make their very own school bus. Hand out photos of school busses and allow the children to use their imagination to create their own. You can use clothes pins to make children and a bus driver. Each school bus will be different.

Delicious autumn! My very soul is wedded to it, and if I were a bird I would fly about the earth seeking the successive autumns.

## Reminders from the Visitor:

Please remember that our Provider Meeting is on Wednesday, September 11, 2013 at 7pm and is at the Wee R Kids Office, this meeting is mandatory. Make all your arrangements in advance to both attend the meeting and stay until the very end.

Please also make sure your alcohol is kept in a locked room or cupboard or in your locked garage. All alcohol needs to be locked away with a lock and a key as per agency regulations. This includes cooking wine.

Play pens need to say "For Sleep" on them or in their manual. Please ensure that each of your play pens say this or you will need to stop using them immediately. We do have a couple of play pens for lending in the agency.

Please check to ensure that your relocation place is still okay, have people moved or are they away for extended periods, if so you will need to change it on your paperwork and with the office.

### Back to School

By Wanda Brustetter

Rachel Yoder is back in school -- and this time, she's got company. Trouble has arrived in the form of a freckled face and an unruly cowlick. Can anything good come out of Rachel and Orlie's endless antics? And why is he so determined to humiliate her at every turn?

## Provider Spotlight

Megan is in the spotlight this month. Megan is a semi new provider with Wee R Kids but has shown herself to be very responsible and organized. She is a wonderfully caring and patient provider who always creates a loving and safe day home environment. We are honoured to have her as part of our team! Thanks Megan for all that you do!
