## Summer Parent News

Helping Families *GROW* together!

Happy June Everyone!

Hope this spring has given you some sunny moments. I always enjoy a cloudy or rainy day, however I know I am about the only one.

I am sending out some Accreditation surveys to your day homes, if you could please fill them out and hand them back before the end of June that will help us with our re-accreditation.

Have a lovely Summer! Next newsletter is September.

## Reminders from the Office:

Please ensure that your payments are made by your payment arrangement dates. I understand that the Summer is full and busy, if you think you may forget, please feel free to give our office post-dated cheques for the Summer months.

Please also remember to bring sun screen to the providers home as well as a hat and other clothes that are appropriate for warm weather.

## Summer

By Sian Smith

What do people wear in summer? Read this book to find out what happens in summer. Books in this series introduce children to the four seasons. Each book uses simple, repetitive text to teach children basic vocabulary, and includes stunning photographs to show the changes that take place during each season. In Summer, children learn about typical summer activities and changes in the natural world.

All books can be found at the Lethbridge Public Library.
